This request is being made under the provisions of Local Law No. 1 of 2006. I do certify that I am familiar with the terms of the said Law. I do further certify that if there are joint or co-owners of the property, that I am acting as agent with authority for all of the owners.

In consideration of the Village's removal of said sidewalk, I do hereby certify knowledge of and agree to the following:

- That I will mark each block to be removed conspicuously with white spray paint;
- That I will be responsible for securing the area from pedestrian traffic until the new sidewalk is in service;

- That within 7 days of the completion of the removal by the Village, that I will install a new **concrete** sidewalk in accordance with those specification;
