

March 2020 Building Department Report

Dave Patterson Business inspections

These are totals since Dave started:

- 96 Business inspections completed
- 20 Business inspections incomplete

Also, Dave has been updating our list of businesses that were never on the original list.

We have added 29 more Businesses; 6 B&B's; 5 commercial Multi-unit dwellings. We now need to determine how many residential buildings are Multi-unit.

Larger ongoing projects

- **“Essential”** Waste Water treatment Plant: Dave at 4/7 construction meeting
- **“Essential”** Glen Lake Apartments: Concrete foundation work underway
- Captain Bill's: **On hold: “Non-essential”**

Permits issued in March 2020:

- 7 new permits issued: Highlights: 2 roofs; 1 siding; South Seneca Marina: larger marina launch

March 25th Planning Board projects: **Cancelled**

- Seneca Physical Therapy addition Preliminary approval
- Final approval of D&L Miscellany cottage industry
- Seneca Skyline Townhouses – preliminary approval
- Short Term rental applications – final approval
- Stewart B&B request – concept approval

My training schedule:

- My training classes in March & April are postponed.

COVID-19 - Compliance with essential business occupancies and essential business construction sites, is a joint effort of Local, County and State Law Enforcement and Local Code Enforcement.
