

BOARD REPORT PARKS DEPARTMENT  
May 18- 30, 2019

Cleaning center – floors, rest rooms, kitchen

Monthly ladder and fire extinguisher inspections, center hood and playground inspections

Monthly / daily vehicle inspections

Follow up on insurances – building rentals, seasonal campers, seasonal boaters

Community center use: Tuesday night dance classes, Saturday night social dances, Memorial Day Ceremony, Birthday party

Continue taking pavilion and center rentals requests

Continue to replenish dog bags in the park dog stations

Continue taking camp reservations – we are full for fourteen weekends. Numerous other weekends are filling quickly.

Camp reservation system looking at setting up a third workstation for the new system – included in the price. Need time to get this done.

Ordered cleaning supplies

Last two docks put in

Mowing and trimming camp, Lakeside, LaFayette, Lakeview cemetery and Town of Reading, water plant. Difficult to get all mowed and trimmed with this rainy weather. Campers not happy about trimming not done in campground.

We have Finger Lakes Trail Town signs to install at the kayak launch area and at LaFayette Park

Silverline needs to finishing up the kayak launch area. It has just been way to wet to get anything done over there. It is still to wet on the lawn area to get the dock back in.

Continue office staff training

Did lifeguard interviews, reference checks - very young applicants. We are hoping to open the waterfront Saturday, June 15<sup>th</sup>. Have contacted Watkins Glen, O-M schools and State Parks as well to find lifeguards

Ordered new swim line and floats

Ordered rubber speed bumps for the inner campground road – people are speeding and it is a safety issue – have been wanting to get these for the last four years
