

BOARD REPORT PARKS DEPARTMENT
July 18 – August 13, 2020

Monthly / daily vehicle inspections

Continue weekly to replenish dog bags in the park dog stations

Daily trash pick-up in parks and dog waste stations, trash pick up on Franklin Street and Third Street on weekends

Weekly recycling

Mowed and weed wacked LaFayette, Lakeside, Gifford, kayak area, baseball fields and campground (and new WWTP roadway)

Cleaned boat launch shoreline and boat ramp

Daily camp reservations: campground full past three weekends and full the next five weeks coming up

Weekly mark out campsite boundaries – ten - foot fire lane a DOH requirement

Playground equipment being sanitized daily by office staff

We are getting more trash than normal in the parks as people are buying take-out and eating at the park, also more trash in Franklin Street cans than normal

Cut and split firewood, filled wood pen at park office

Cleaned fire rings and BBQ grills

Continue to fix leaking toilets in shower house

Office staff sanitizing shower house/ rest rooms and port-a-potties three times a day or more

Community center use: Thursdays, noon, Rotary meetings

Jet ski event (August 21 -23) cancelled

Fenced off the full beach and dog beach areas – daily repairing and putting fence back up – chasing people out of the water as we have no lifeguards

Removed rest room stall wall dividers and some copper out of the construction area in Lakeside

Removed two of the dog stations from the construction zone

Repaired the end of the permanent launch ramp dock

Trimmed suckers on the trees in the parks

Repairing picnic tables

Repaired water leak in camp pedestal

Cut and welded a new handrail at the top of Gifford Park that got hit by the plow this past winter

Started to install more of the siding on the park maintenance shop

Worked on new signs for the tent sites

Park project under way – fencing installed, all trees removed, started digging dirt out

Starting to do paperwork to renew the goose permit for 2021

Purchased more snow fencing to close off more of an area to the waterfront/ beach

Repaired a bad 50 amp plug on a camp pedestal
