Request for Village Truck

I, _____, request a Village dump truck to be placed at _____ on _____ for the purpose of brush removal. It is understood that only brush, branches, limbs and bagged leaves will be accepted; absolutely no junk, furniture, auto parts, appliances, metal scrap, building debris, garbage, etc. will be accepted. **This permit is for one day only.** The truck will be placed at the above address before 3:30 pm on the date requested and will be picked up before 7:30am the following scheduled work day. The requestor assumes full responsibility for damages and or injuries which may occur due to this request and is fully responsible for the contents deposited. This permit is contingent on the availability of a truck and may be cancelled at the discretion of the Superintendent of Public Works.
