

WASTEWATER DEPARTMENT  
WORK REPORT

Jan14<sup>th</sup> 2019 – Feb 4th, 2020

Perform daily operation and maintenance of the Wastewater facility. Attend monthly JPC meetings. Tri-weekly SPS (Sewage Pump Station) checks. Attend bi-weekly construction meetings for both plant and lift stations. Ops report and DMR submitted to DEC and EPA for month of December. Review and comment on new SPEDES (issues to be addressed by Larson). Repair CL2 lines. Switch and clean contact tanks. Meet Sheesleys onsite at 104 Lakeview St over blocked lateral. Spoke to homeowner on need for a grinder pump. Onsite at Seneca St. for line flushing. In process of getting quotes for manhole repairs on Seneca St. Ongoing training of new operator. Researching and meeting set up with Rural Water over Wastewater Apprenticeship program. Meet with Dean (Montour Falls) over viability of Apprenticeship program and benefits to both Villages (will discuss at JPC).

Regards  
Terry Wilcox
