

WATER DEPARTMENT
DAILY WORK REPORT

March 18 – March 31, 2019

Performed daily operations, U.F.P.O's. Changed empty chlorine tank. Electricians started some work. Contractors coming and making notes for all needed improvements to water department. John Rekczi has completed all water training. Sealand starting up its work completing DRI project. Met with Cargil reps about flow testing for new addition. Met with Vacri on sewer project. Filed water withdrawal report, water quality report being proofed, to be finished soon. Ordered and received phosphate and other chemicals. Met with Tim Steed a few times.
