VOTING ITEMS

Resolutions

Trustee Nan Woodworth motioned to approve a resolution in opposition to the New York State Senate Bill S-00139B and Assembly Bill A-1358B.

WHEREAS, New York Senate Bill number S-00139B has been passed which, if adopted by the NYS Assembly (A 1358-B) and signed by the Governor, would require all Judges presiding in the 100 largest Town and Village Courts to be licensed to practice law in the State and to have been admitted to the NYS Bar for at least five years; and

WHEREAS, The Town and Village Courts in Schuyler County are among the nearly 1,200 Justice Courts in the State of New York that collectively handle close to 1 million cases each year; and

WHEREAS, The Town and Village Courts are known as the "Courts Closest to the People" and have broad jurisdiction, presiding over civil and criminal matters, thereby performing a vital role in the New York State Unified Court System; and

WHEREAS, The Village Court of Watkins Glen is a vital service to our residents and the Schuyler County

community as a whole; and

WHEREAS, The Justices in Schuyler County's Town and Village Courts have pledged to be ever mindful of their neutrality and impartiality, and render equal justice to all, while continually adhering to judicial rules of ethics and pronouncements of the New York State Commission on Judicial Conduct; and

WHEREAS, The Justices are required to be on-call 24 hours a day, 365 days a year to review/sign arrest and search warrants, perform arraignments, and issue orders of protection; and

WHEREAS, The Justices of Town and Village Courts ensure that the rights afforded to defendants by the Constitutions of the United States and the State of New York are provided and protected; and

WHEREAS, The Justices of Town and Village Courts preside over trials involving misdemeanor and violation level offenses, thereby ensuring that the victims of those offenses can be heard; and

WHEREAS, The Town and Village Courts provide a venue for Citizens to pursue a low- cost and efficient procedure for individuals to resolve civil disputes and landlord/tenant matters; and

WHEREAS, The Justices preside nightly and weekend and holiday mornings at the Schuyler County Arraignment Part ('CAP') conducted in the County Jail, (CAP) that ensures that arrested citizens are promptly afforded legal representation, the opportunity to plead to alleged charges, and be processed for release, bail, or incarceration;

WHEREAS, The Justices continually strive to improve the administration of justice through participation in mandatory education programs, seminars, meetings of the Chemung/ Schuyler County Magistrates Association and the New York State Magistrates Association; and

WHEREAS, The New York State Office of Court Administration must certify all as having successfully completed mandatory training both following election and in each subsequent year; and

WHEREAS, The New York State's Commission on Judicial Conduct's most recent annual report (2023) identifies that only 13% of the complaints filed against the judiciary were against Town and Village judges while the remaining complaints were against either "State-paid" judges, (constituting approximately 40% of the judiciary) who accounted for approximately 67% of the complaints received, or against non-judicial entities (20%); and

WHEREAS, This Bill attempts to usurp the right of voters to elect those in their communities that they believe to be fair and impartial, and who would best serve that community, whether they be attorneys or non-attorneys; and

WHEREAS, This Bill implicitly suggests that members of a community are incapable of making informed decisions about who should sit in judgment of matters from the straight- forward to the highly complex as may arise in their local courts; and

WHEREAS, this legislative body views the intention of this Bill is not to actually improve the courts, but a blatant and unconscionable attempt by the New York State Bar Association, an organization that represents approximately only fifteen percent (15%) of the State's attorneys, to generate increased opportunities for its members, and to dictate who voters may choose to serve in our local governments;

NOW THEREFORE, BE IT RESOLVED, That the Governing board of the Village of Watkins Glen strongly, and in unequivocal terms, calls on both the leadership in the Senate and Assembly, and the Governor to reject this poorly conceived and hastily fashioned seizure of voters' rights to determine, for themselves, who they would choose to sit as their judges as has been the case for almost two hundred years.

Trustee Bob Carson seconded the motion. The Board then voted on the motion and all were in favor. Motion Carried.

Trustee Bob Carson motioned to approve a resolution approving a Municipal Utility Easement by and between Natasha Hospitality, LLC and the Village of Watkins Glen.

WHEREAS, the Village recognizes the need to enter into a Municipal Utility Easement agreement due to the encroachment;
